### HAS A STRONG TEAM.

Woodstock Hopes to Win Vermont State Championship.

Woodstock, Sept. 1.—The Woodstock baseball team has made a splendid record since its organization in 1905, when it won 14 straight games, losing none. In 1906, out of 36 games played it won 14 and tied two. In 1907 23 games were played and 21 were won. The record for the present season is as follows:

Woodstock 7, Ludlow 1; Woodstock 4, Barton 3 (11 innings); Woodstock 2, Barton 3; Woodstock 8, St. Johnsbury 0; Woodstock 8, St. Johnsbury 4; Woodstock 8, Ludlow 0; Woodstock 3, Barton 5 (11 innings); Woodstock 2, Rutland 2; Woodstock 1, Barton 2; (10 innings); Woodstock 3, Barton 2; Woodstock 2, Barton 2 (12 innings); Woodstock 2, Barton 1. A. A. O. Total runs scored by Woodstock 103; by opponents 42.

Hadley has caught every game, and his throwing to bases has been a feature. Davis, who covers first base, is considered one of the best men in that position in Vermont and he has had many flattering offers from other teams. Murphy at second is considered by many one of the finest second basemen in this locality. He recovers the ball quickly and he can throw accurately from any position.

Dumas at third base covers a great deal of ground, and is the best base runner on the team. Russell at short is playing his first year for Woodstock. Fitzmorris in left field has pulled down many a ball labeled for a three-base hit. Felton, center field, has yet to make an error and has saved many a score by his long runs and phenomenal catches. Shaw at right field covers his position in fine style.

The pitching staff is composed of Pugsley and Wyatt. Pugsley is a new addition to the team. Wyatt has been with the team three years. He has a record of 23 innings with no runs, and only two hits scored against him. The team's batting average is .312, and it has won the championship of Vermont three years, and is in a fair way to win it again this year. The success of the team is due largely to the coaching of E. B. Howes, the manager.

### EXPECT A BIG SHOW.

At Rutland This Week For The Fair and Horse Show.

Rutland, Aug. 31.—All arrangements are complete for the Rutland county fair and Rutland horse show and breeders' meet which opens in this city Wednesday and lasts through Friday of this week. It is safe to say that the fair this year will equal anything of its kind in this part of the state. The horse show which is held in connection with the fair has entries of some of Vermont's most famous horses, especially of the Morgan type, including the stallion, General Gates, from the Morgan horse farm at Middlebury which is controlled by the United States department of agriculture. The stallion is one of the most noted in the United States. Entries of hackney and French coach horses have also been received from the Shelburne farms at Shelburne owned by Dr. Seward Webb.

### GOOD CROPS IN THE WEST.

Wilson Finds Great Increase in Productivity.

Washington, Sept. 1.—Secretary Wilson, who has just returned from the West, pronounces the crops remarkably good. The department has completed an inquiry for the national conservation commission which shows that in recent years the productivity of the soil is increasing in a marked degree. Mr. Wilson ascribes this to better knowledge of the soil, brought about by the agricultural colleges, the agricultural experiment stations and the department of agriculture. Secretary Wilson says the mountain streams in many cases in the West are declining and drying up owing to the fact that their sources are stripped of timber. How to remedy this, especially where the sources are above the snow line, is a big problem and the department is giving it attention.

### Not So Innocent.

The Old Lady (as a group of small boys dash past her)—Ah, running races? Been reading about those Olympic games, no doubt.  
A Voice—Games be blowed! We've put a bad penny in a blind man's tin, and he's after us.—The Sketch.

Since he has begun taking Cascarets he has never had the headache. They have entirely cured him. Cascarets do what you recommend them to do. I will give you the privilege of using his name." E. M. Johnson, 112 West 8th St., Indianapolis, Ind.

### Best For The Drowsy

### RAILROAD TAXES.

Hearing Over Disagreement Between State and Central Vermont Company.

Burlington, Aug. 31.—A hearing in the Grand Isle case of State vs. the Central Vermont railway company, for the recovery of unpaid taxes, was heard before Judge Seneca Haseltin at his office in this city on Saturday morning.

The state and the railway company disagree as to the method of computation of taxes, the company's computation being about \$20,000 less than that of the state. The respondent company, however, admit that they have not yet paid all the taxes, according to their own computation.

Attorney General Clark C. Fitts of Frattboro and State Tax Commissioner J. E. Chisholm of this city appeared for the state, and C. W. Witters of St. Albans and W. B. C. Stickney of Beloit for the company.

## ABOUT THE STATE

Potatoes in North Hero are, it is said, the smallest crop ever known. One man, who dug an acre, had sixteen bushels and it is said this is about the average.

Recent army orders announce the transfer of First Lieut. Leslie A. L. Chapman, 1st U. S. Cav., to the Fifth cavalry. Lieutenant Chapman is now on detached service as commandant at Norwich University, Northfield.

While playing with a rifle Isador Whitcomb, the thirteen-year-old daughter of Charles Whitcomb, of Hyde Park, received a shot in the right eye, inflicting a wound so severe that it was necessary to remove the eye.

Junius F. Wells, the well known Mormon leader, is planning the construction of a new road between the Mormon monument and a road to Stratford which will save about three miles in the distance between South Royalton and Stratford.

While Cecil Bullard, of Greensboro Bend, was milking the other day he heard the report of a rifle nearby, and, running out, saw four deer in the field near the barn. Suddenly one of them leaped back, sprang with the air and fell dead and on going to it Mr. Bullard found that it had been shot. Mr. Bullard bled the animal and notified the game warden, John Sawtell, who sold the meat at auction, it bringing only about \$5. Who did the shooting is still a mystery.

### Ordained to Baptist Ministry.

The following ministers were present and took part in the ordination services of the Rev. Mr. Witherbee of the East Poultry Baptist church, Thursday: The Rev. C. R. Dodge, of Wallingford; the Rev. Mr. Beckwith, of Granville; the Rev. A. E. Foss, of Fair Haven; the Rev. I. E. Usher, of Bristol; the Rev. Mr. Williams, of West Pawlet; the Rev. Dr. W. A. Davison, of Burlington; the Rev. Mr. Aldrich, of Hydeville; the Rev. Eugene Haines, of Rutland; the Rev. C. E. Ross, of Poultney; and the Rev. F. S. Tolman, of West Rutland.

### Hardwick Hospital Flourishing.

At the annual meeting of the John S. Hopkins hospital association, in Hardwick, the report of the matron on the work of the year was very gratifying. The first patient was admitted October 9, 1907, and up to Aug. 22, seventy-four had been admitted. Of this number 33 were operative, and 41 medical cases; 64 cases were discharged. There were four deaths. Five patients are now at the hospital. Some of the cases of operation were of a very serious nature but all have recovered or are on the way to recovery.

### Unknown Man Injured By Train.

An unknown man was fearfully if not fatally injured at Westminster Wednesday morning. Many people thought the man jumped from the fast freight going north. The accident pointed in some ways to foul play, yet it is generally thought he met his fate from a jump. The man was found down an embankment of twenty feet. His skull was fractured and he was unconscious. He was taken to Westminster station and cared for as well as possible and later was taken to the Memorial hospital in Brattleboro. Since an operation for the fractured skull he has been conscious at intervals and gives his name as Robert Johnson of Lynn, Mass. His recovery is considered very uncertain. The man says he is a baker and was on the way to New Hampshire to get work.

### Golden Wedding Anniversary.

The fiftieth anniversary of the marriage of Mr. and Mrs. Joseph Lunon was celebrated at their home in Burlington Friday. Joseph Lunon and Miss Della Toussaint were married at the old St. Joseph's church on North Prospect street, Burlington, fifty years ago, the year after the church was completed.

After working in the mill, Mr. Lunon opened a barber shop in Winoski, thus starting the first barber shop to be permanently located in that town. This shop he continued to run for thirty-three years. He then went to Underhill, where he lived a few years, when he moved to Burlington. During his residence there he has continued to run a barber shop most of the time. He still runs the barber shop and every day takes a long ride on his bicycle. Mr. and Mrs. Lunon have been the parents of fourteen children, six of whom are now living. They are Mrs. Ernest Chausse, Mrs. Georgianna Galvin, Joseph, Edward, Alper and Seymour Lunon, all of which live in Burlington. Mr. Lunon will celebrate his seventieth birthday anniversary in November and Mrs. Lunon hers in October. Both are in very good health.

### NIP IT IN THE BUD.

First Appearance of Dandruff a Forerunner of Future Baldness.

That such is the case has been conclusively proven by scientific research. Prof. C. C. the noted European skin specialist, declares that dandruff is the burrowed-up cuticle of the scalp, caused by parasites destroying the vitality in the hair bulb. The hair becomes lifeless, and, in time, falls out. This can be prevented.

Newbro's Herpicide kills this dandruff germ, and restores the hair to its natural softness and abundance.

Herpicide is now used by thousands of people—all satisfied that it is the most wonderful hair preparation on the market to-day.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

Two checks 40 cents and 75c.

### Contrived to Her Disadvantage.

Village Schoolmistress—As for you, Willie Tompkins, yours is a double-edged fence. Why didn't you give your apples when the other boys did? Willie—Please, 'm, I thought you only wanted enough to make a pie!

### For Sore Feet!

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts and all manner of abrasions," writes Mr. W. Stone of East Poland, Maine. It is the proper thing, too, for pies. Try it! Sold under guarantee at Red Cross Pharmacy, Rickert & Wells' drug store, 25c.
